### Bill Summary

A bill to amend Section [40-7-20](#), as amended, Code of Laws of South Carolina, 1976, relating to the definition of terms used in the licensure and regulation of barbers, including the definition for "hair braiding," so as to provide that this term includes the use of hair extensions.

### REVENUE IMPACT <sup>1/</sup>

This bill would have no impact on state or local revenues in FY 2007-08.

### Explanation

This bill changes language to include the use of hair extensions within the practice of "hair braiding" in this State.

According to staff of LLR, licensed cosmetologists currently do hair extensions. Adding this procedure for licensed hair braiders is not expected to have a net impact on POLA license fee revenues in FY 2007-08. Since this bill does not affect expenditures, it would not impact revenue transfers to the state General Fund in FY 2007-08 under Part 1B, Section 50.3 of the State Budget.
